

290 x 210 mm

The image shows a technical drawing of two rectangular components. The left component is labeled '290 x 210 mm' and the right component is labeled '290 x 275 mm'. Both rectangles are outlined in red. The drawing includes a grid of solid green lines and dashed green lines. A horizontal dashed line connects the top corners of both rectangles. Vertical dashed lines extend from the top corners of each rectangle down to a horizontal dashed line. From the ends of this horizontal dashed line, diagonal dashed lines extend downwards and outwards to the bottom corners of the page. A solid horizontal line is located below the dashed lines, and a solid vertical line is located between the two rectangles.
